Club Bulletin

13th January 2025

Dear Rotarians and Friends of Rotary,

I hope you have had a wonderful break over the Christmas and New Year period. Its important to stop and connect with those near and dear to you, and I hope that you have had some time to do just that. I know celebrating this busy time of year looks different to everyone and my deepest wish us that you all got to take the time to fill up your buckets and are ready for 2025.

I am particularly looking forward to reconnecting with you all on Monday at Cafe 104. It will be a wonderful way to ease into the new year.

I know we have a busy year on the way and we ask that you all engage with our social media pages as well as ready the bulletin as Mark does such a great job of coordinating all the activities we are participating in.

Enjoy your weekend and we will see you on Monday

Yours in Rotary

Jacque

January is Vocational Service Month

Vocational Service focuses on:

- Adherence to and promotion of the highest ethical standards in all occupations, including fair treatment of employers, employees, associates, competitors, and the public.
- The recognition of the worthiness of all useful occupations, not just those that are pursued by Rotarians.
- The contribution of your vocational talents to solving the problems of society and meeting the needs of the community.

It is Rotary time!!!! Monday is back for 2025.

Our first gathering of the Rotary Club of Camden for 2025 will be at CAFFE 104
