PRESIDENT'S REPORT

Dear Members and Friends

Even though we are nearing the end of this Rotary year, we still have significant events to look forward to in our Club.

Bookings are now closed for our much anticipated 75th Anniversary Celebration Dinner this Saturday 18th June at the Camden Civic Centre. Many of our members, past & present (& future?) will be in attendance as well as representatives of many Rotary Clubs throughout the District, Council & Government representatives, along with family and friends.

The Anniversary Committee, under the Chair of Rob Mulley, has worked very hard over many months to make sure this evening will be a great night of celebration. On behalf of our Board & Club I would like to thank Rob, Peter Claxton (75-year birthday book/slideshow), Alan Redman (money man), Jo Perrin (memorabilia), Jacquie Lockyer (cake, gifts, etc) & Stephen Humphreys (bookings/seatings etc). Even though our committee was small in number, they have done an amazing job!

There won't be a meeting next Monday (transfer to 18th) but the following week we will be back for our last meeting before Changeover. Our guest speaker from Yandelora School will give us an update on the equipment/teaching aids that was provided by our District Grant.

Our Changeover on Monday 4th July, though much more low-key compared to our 75th Dinner, will still be a night of celebration with many surprise recognitions. Booking details are in this bulletin and I would love to see you all there as this year's Board is recognised and thanked and your new President Jo and her Board will be introduced.

Last week's meeting, which unfortunately I missed due to illness, was the last Club Assembly for this Rotary year. Our Directors gave their annual reports while President-elect Jo gave a brief outline for the next Rotary year ahead.

I'm looking forward to seeing you all on Saturday night. Yours in Rotary, Judith

National Blood Donor Week 13-19 June

In Australia, a new blood donor is needed every four minutes and one blood donation is needed every 18 seconds.

Between 13th and 19th of June the world celebrates Men's Health Week. This is a time to bring awareness to health issues that affect men disproportionately and focuses on getting men to become aware of problems they may have or could develop, and gain the courage to do something about it.
